NUTRITION & WELLNESS

As you run ahead of time, your nutrition may lag behind. Stress, irregular or missed meals and consumption of unhealthy junk food can leave your wellness compromised. This huge gap between your nutritional needs and the food you end up eating every day, can be bridged with supplementation along with regular diet.

Amway Nutrilite stands committed towards your well-being, with its range of dietary supplements that are primarily sourced from natural ingredients. Here are our ten most loved Nutrilite products that have earned the customers' trust by bridging the nutritional gaps, that they might have in their daily diet.

- (1) Nutrilite All Plant Protein Powder
- (2) Nutrilite Daily
- (3) Nutrilite Salmon Omega-3
- (4) Nutrilite Cal Mag D Plus
- (5) Nutrilite Amalaki, Vibhitaki & Haritaki
- (6) Nutrilite Ashwagandha
- (7) Nutrilite Brahmi
- (8) Nutrilite Madhunashini, Shunti & Twak
- (9) Nutrilite Tulsi
- (10) Nutrilite Vasaka, Mulethi & Surasa.

Nutrilite Range is under Nutraceutical & Health Supplement categories. Nutrilite products are not for medicinal use. Not to exceed recommended daily usage. Nutraceuticals & Health Supplements are not to be used as a substitute for varied diet. Products are required to be stored out of reach of children. Images shown are for pictorial representations only. Please refer individual product label for product category & further information.

NUTRILITE®

Salmon Omega-3 Softgels

Omega-3 fatty acids are an essential component of a healthy diet. Omega-3 fatty acid is required to support one's vision, mental health and bone health, and also to maintain a healthy cholesterol level as the body ages over the years. Nutrilite Salmon Omega-3 prepares you for your tomorrow, from today, because the best of life is yet to come.

Benefits of Omega-3:

Supports normal heart health & triglyceride levels

Maintains normal physiological function of heart

Associated with lowering the risk of cardiovascular health problems

Helps maintain normal blood cholesterol

Supports normal brain function, normal vision and joint flexibility

Helps maintain the balance between Omega-3 and Omega-6 from junk foods

SKU ID: 100066ID

Did you know, typically, the Indian Diet may not contain much of Omega-3 fatty acids*? In many cases fish, other seafood, nuts and seeds such as flax seeds, chia seeds and walnuts, plant oils such as flax seeds oil, soya bean oil and canola oil go missing altogether.

*Mani I and Kurpad A V (2016). Fats & fatty acids in Indian diets: Time for serious introspection. Indian J Med Res. 2016 Oct; 144(4): 507-514. PMID: 28256458; Pella D, Dubnov G, Singh RD, Sharma R, Berry EM, Manor O. Effects of an IndoMediterranean diet on the omega-6/omega-3 ratio in patients at high risk of coronary artery disease: the Indian paradox. World Rev Nutr Diet 2004;92:74-80)

*Mahajan M (2015). Protein Consumption in Diet of Adult Indians: A General Consumer Survey (PRODIGY). Indian Medical Gazette - April 2015.

Nutrilite Range is under Nutraceutical/Health Supplement categories. Nutrilite products are not for medicinal use. Not to exceed recommended daily usage. Not to be used as a substitute for varied diet. Products are required to be stored out of reach of children. Images shown are for pictorial representation only. Please refer individual product label for product category & further information. *Prices mentioned above is inclusive of all taxes.

NUTRILITE®

Cal Mag D Plus

The new Nutrilite Cal Mag D Plus is a stronger new formulation which combines 5 essential nutrients, calcium, vitamin D, magnesium, manganese and zinc. Calcium is sourced from one of the most concentrated botanical sources found in the pristine waters of Iceland. Each tablet provides adequate calcium every day when taken along with your daily diet, to avoid stealing of calcium from the bones.

Benefits of Calcium and other essential nutrients:

Calcium helps build strong bones

Magnesium helps in bone maintenance

Vitamin D helps in calcium absorption & normal function of immune system

Zinc helps in maintaining the immune system and normal bones

Manganese helps in normal formation of connective tissue

SKU ID: 271553ID

Did you know your bones act as a repository by storing calcium within their structure? If you don't get enough dietary calcium every day, your body will steal it from your bones for essential body functioning, making your bones brittle.

*Mahajan M (2015). Protein Consumption in Diet of Adult Indians: A General Consumer Survey (PRODIGY). Indian Medical Gazette - April 2015.

Nutrilite Range is under Nutraceutical/Health Supplement categories. Nutrilite products are not for medicinal use. Not to exceed recommended daily usage. Not to be used as a substitute for varied diet. Products are required to be stored out of reach of children. Images shown are for pictorial representation only.
